### **Disciples by Your Love**

*For this purpose I came. For this purpose I devised from the very beginning, even before creation that I would send the very best that I had to offer; and by this they will know in this hour in which you live and call the last days the great outpouring of my Spirit. By this they'll know that you are my disciples by your love saith the Spirit of Grace. For that gift of love that I began this propagation with, let it extend through you to the nations, saith the Spirit of Grace. Let this be more than just a celebration at this time, but let it be in everything you say and everything you do, day in and day out. Every act, do it unto me that men may see and glorify your Father which is in heaven, saith the Spirit of Grace. For surely; truly, truly the harvest is coming and great things like has been prophesied from the very beginning will come to pass. Celebrating in this day and celebrate in the days to come, for this is my will on all humanity that none be lost but all be brought in, saith Spirit Grace.*
