I will not come Sovereignly

It's so vitally important, saith the Spirit of Grace that you understand your role as Kings and Priests in the earth. Understand your place of authority. I have no authority in this earth except that authority that I've given you. I can do nothing. As I said of my Father when I was on this earth, I can do nothing of myself. All power comes from him. And now I say to you, my church, you are my Body. I can do nothing in the earth sovereignly without you. Your authority which proceeded from me and that which you walk in as human beings filled with my spirit; the authority that you have in the earth; I cannot circumvent it. I cannot go around it. I cannot work sovereignly without you being the one who brings all authority in the earth. Speak my word. Bring forth my word. Cause a revival in your city and in your region. I will not come sovereignly. I will not come; set apart from you.
