### **Beguiling and Enticing Words**

*As the Father had life in himself so has he given to the Son to have life in himself and then to the son whosoever he will he giveth life. Know this that I came; overcame and again I say unto you, I overcame by the life of God that was in me, saith the Spirit of Grace. Thus saith the Son of Man to you; I became by the life of God that was in me. Not by the deity that wasn't me that by the life of God that was in me. The same life that I've given to you through the spirit, saith the Spirit of Grace.*

*It was not my deity by which I warded and got passed every temptation of the flesh. It was by the life of that new nature that you call the new nature; that life within me I overcame. I overcame. So therefore I say unto you, you can overcome also. Stand in that place; do not let any man beguile you with enticing words and speak words of fable to you that would diminish or demise the power of the life of that new nature, that life that is in you. For those who speak of a grace that is not defined by my word diminish and take away from the power that I invested in that new nature within you. For this is the gospel of truth, the gospel, the gospel that speaks on this wise, a gospel of holiness. A gospel that has the power to subdue all temptation around you and bring you into a place of total dominion, saith the Spirit of Grace. For the grace of God is defined by this, it is defined by the strength of that holiness that I placed within you to walk in grace and in truth, saith the Spirit of Grace. Do not let man with beguiling and enticing words lead you astray. For all that you ever need was placed in the seed that new creation that you became with more than enough. And then I added the comforter; then I added the comforter. You cannot; I repeat; you cannot fail.*
