Access through My Blood

I say unto you as a Father that I love you; I love you and I am pleased with you. I'm pleased with you, saith the Spirit of Grace for those of you that have a hard time knowing yourself and knowing, hearing the words that I am pleased; understand, what I have provided, saith the Spirit of Grace. If your hearts condemn you then I'm greater than your heart and I know things. This one thing I know, saith the Spirit of Grace that to the one whoever at any moment makes application to the blood once they are inside of Christ all things are provided. First John 1:9 was not written to the sinner or the unbeliever; it was written to you on the inside that if any man, confess his sin he is faithful and just to forgive him and cleanse him from all unrighteousness. That's to you inside. In a moment at any given moment against your testimony of where you've been walking at any place make application to my blood for it provides a cleansing; then if we have confidence and we know that we've received the things that we have desired and requested of him; I've made this provision. Therefore I can say and broadcast to my body I'm pleased. Anyone inside of a struggle for pleasure can find access through my blood, saith the Spirit of Grace.
