### **You're Babe is on a Throne today in Full Stature**

*You celebrate and celebrate well the birth during this season and it was of a necessity that he come in flesh and blood, but know this; the one that you serve is not seated as a babe upon the throne; He is of full stature. He is of full manhood and Godhead reigning over all the earth and he is coming back with fire in his eyes and strength in his bosom to all those who are looking for him, saith the Spirit of Grace. For the eyes of the Lord searcheth to and fro over the face of the earth seeking to show himself strong in behalf of those whose hearts are perfect towards him, saith the Spirit of Grace. Your babe is on a throne today in full stature of manhood and Godhood, saith the Spirit of Grace. Rejoice in him. Take adoration in him. For Great strength is at his right hand and a scepter of righteousness he holds. Healing is in his wings for anyone who needs healing both emotionally and physically. I am the Father and I bring you forth. Healing is in my wings, saith the Spirit of Grace.*
