### **Our Lives Are Not Our Own!**

*Do you know when you truly give your heart away to him he is so faithful. He is so true to his word and when you truly lay your life down and you realize that your life is not your own, that you're here for a better purpose than yourself. That you walk through this life knowing that it's not about you but it's about what he wants in you and through you, the other lives that he wants to touch. Because when you have him it's OK with you; it's about the others that are out there that need you. So when you truly pour your heart out to him and you ask him, not my will but your will be done; he begins to lay people on your heart to pray for and he begins to wake you up in the night and he says just come away with me. I'll say Lord I don't know what you want me here for; really what can I do. God I'm just here ready and willing to be used by you. Lord is there anything that you want to say through me to speak those words out, to speak the words Lord, to draw the people to come to know you? God my life is too short; I don't have a whole lot of time to truly pour my life out and be used by you. God what time we do have here; help us to make the right choices to serve you and do the things that you want to do through us because God whatever we would choose to do it's worthless. God when we let you choose the things that you want to do and your kingdom come in your will be done our life's have a purpose! Our lives have a great purpose! It's the will of God wanting to be poured out through us and draw these people and draw the city and draw this state and this universe. God this whole world needs you. Though some don't think they do Lord; they are so blinded. They are so blinded by the enemy that they cannot see you. God you can use us to say, God tear down the walls. God remove their blinders from their eyes that they might see. God those people that I know, that I come in contact with, may they see you, may they see your light shining! God in this dark world, Lord may they see and may they see the hope that is in us; God that you can pour your life through us because you are all that matters, Jesus. You're all that we'll ever need, Lord. And I thank you God that you are becoming all that we long for. God I thank you for your miraculous work that you're doing in our lives. I thank you for the great things and I thank you for the small things Lord. God you're seeking people. You say in your word, "Oh that men would say, oh that men would glorify you and thank you for your good works! Well, God, I thank you. I thank you for your good works and I thank you for your mercy to men. I thank you for your love for us, Jesus, and I thank you Lord that we will lay down our lives and count them as nothing without you but through you Lord Jesus our lives are worth something. They are worth great, great things to you Jesus. So we just let you have your way Lord. Not just in this moment but in every moment of our lives Jesus. Help us to remember your presence Lord. Help us to remember that we are not walking alone that you're right there with us wanting to work through us. So we thank you Jesus that your kingdom is coming and your will is being done, Lord. We worship you today and we cast every care on you Lord and we take your yoke Jesus. Your burden is light Jesus. We are not our own Lord. We are more than conquerors through Christ Jesus. Have your way*

*Lord. Help us to be bold. Help us to be bold. Jesus we worship you. We love you Jesus.  
We love you Jesus. We give it all to you Lord. Our lives are not our own!*
