**Released unto You is the Grace of God**

*That tongue was for me but I can tell you what he was saying, the interpretation. He was saying to me to use the faith that is on me right now for the blessing of the people. I can tell you right now folks, that there's a great faith on me right now; I mean a God kind of faith. Jesus, it's not me; it's Christ in me. Jesus, it's not me; it's Christ in me. Father, Father, in Jesus name, I rebuke cancer. I rebuke all fear to the ones who will receive that the very virtue of God saturate your being. Mountain moving faith, I release in Jesus name. I speak to kidneys, be made whole. Hearts and lungs, livers in Jesus name, brains be restored in the name of the Lord Jesus Christ, life. Life is released into you now, in the name of Jesus and we speak to every mountain of lack; we speak to every pronouncement against them blessing or the financial blessings of this house or the people in this house. It is but a simple thing to me, saith the Spirit of Grace, to supply to you and meet all of your need according to my riches in glory by the one you call Christ. For the same Father that you seek that provides bread for the fowl of the air, how much more are you to him. Released unto you is the blessing of the Lord this day for all those who stand in need, released unto you now in abundance. Am I not the God of the 12 baskets left over? Do not believe me for sufficiency in anything. Believe me for more than that. Believe me for more than that. Am I not the God of the 12 baskets left over, the seven baskets left over, the silos of Joseph in Egypt that were filled and continued to be filled in the seven years of famine. I know no lack. Eyes, I command you to see, in the name of Jesus. Hearing, open up, in the name of Jesus, tumors to dissolve. In the name of Jesus to those chronic back problems, leg problems, be made whole. Released unto you is the grace of God. Jesus, Jesus.*

*In this witness that's in your heart, it is a witness of truth that bears witness of the truth, saith the Spirit of Truth; that all things that you're believing me for no matter how fantastic those things might seem in the natural, when I said all things are possible to them; to him that believes I meant every word of it, saith the Spirit of Grace. All things are possible. Every word of that promise is possible to you. If this and if that particular word was not truth then everything else should be discounted. But if I said all things are possible as sure as your salvation in eternity was brought forth by something unseen, know this that the unseen in the natural will materialize to the seen, based on your faith in Him who can do the impossible, saith the Spirit of Grace. Hang to every word, every word in my book. Live and die, live and die by every promise, saith the Spirit of Grace. All things are possible.*

*Blessed be the Lamb, continuing to speak. I speak to high blood pressure; abnormalities in the bodies go in the name of Jesus. Diabetes I curse you and command you pulled out and completely surrendered to the name of Jesus. Phobia, fears and anxieties, panic attacks, the word of the Lord is against you to cast you down; to bind their Kings with chains and their Nobles with fetters of Iron, this honor hath all his saints. Casting down imaginations and every high thing that exalts itself against the knowledge of God, bringing into captivity every thought to the obedience of Christ. I command a steadiness to the mind, to the heart in the name of the Lord Jesus Christ. The grace of the Lord, digestive problems, enzymes, be made whole in the name of the Lord Jesus Christ. Unfriendly, irregular bacteria in the body in the name of Jesus, dismissed.*
