### **Desperate for Me**

*He that is desperate for me is not desperate in the world. Do not become entangled with words, saith the Spirit of Grace; but understand the meaning and the essence for those that are desperate for me are not desperate in life: desperation to know me as a longing, as the deer panteth after the water brook. Desperation to come into places in me and seek my face alleviates the desperation of the world and the desperation of the flesh. There is a desperation sanctified by my Spirit in which the heart cannot live without every moment being sanctified over into a glorious place of communion of the Holy Ghost and a testimony by my Spirit of who you are and what I am in you, saith the Spirit of Grace. So the desperation of the spirit is not the desperation of the flesh. Do not mix them up. For one alleviates the other, one vanquishes the other; one brings the other under subjection and subdues it always to the mind of Christ. To the one who will seek my face to seek me, is to know me. To set your affections on me, is to set yourself in a place of perfect peace always in my presence. Those who seek my face will live a higher standard and they will also live a higher standard of peace and life and in peace you will hear my voice. You'll walk past and you'll walk around a lot of things that most of the body of Christ just falls into. For much of the temptation of the flesh is created by the flesh and they fall into things and then confess their way out of it thinking that Satan himself put them in that place but I've called you to a higher standard. I've called you to walk around. There will be much; things that you will not be able to walk around; you'll walk through which is persecution for righteousness sake, but many, many, many and even most things that the body of Christ declares a test or a trial, I could have delivered them before it started and they could have walked around it by hearing my voice and knowing my precepts and following me, saith the Spirit of Grace. For much temptation comes. Many fall into trials and tribulations of the flesh because they do not walk in a higher standard. I have called you, I have called you by my Spirit and I have called you by the doctrine of my word to walk in a higher place. Your edification, higher and higher in me is for you to be lifted up higher. There is a place beyond service of yourself that is for my kingdom; that all the peace that you walk in and the health that you walk in and every benefit that in the body is for a higher purpose, that you serve me in these last days for a great and mighty harvest that is coming. Be not as those who grope around in the darkness waiting for the morning to come and waiting for something to change the world that you live in for I've given to you to change the world, the atmosphere and even the health that you walk in, saith the Spirit of Grace.*
