Rest in Me

(There is work to be done)

Prophecy200417 – April 17, 2020

Rest in Me! Seek Me first and be content just to be with Me. I alone need to be the motivation of your heart! Yes, there is that groaning that I put inside your spirit for My glory to be manifested in the earth, that is true. However, keep the motivation of your heart pure. Eternal life is knowing Me! If you don't intimately know Me, you don't have eternal life to offer anybody else.

Allow your desire to manifest My love and My power, and to stem from an intense desire to know Me more intimately. For you need to be rooted and grounded in My love, and then the sap of My eternal life will permeate your whole tree of righteousness. The fruit will be seen on your branches and the people will be able to eat it.

Many in My church believe that walking in the manifestation of My love and power is a goal to be achieved eventually in the future, but as long as you have that mindset, it will be pushed further and further into the future and you will always be chasing it and never apprehending it. You say within yourself, "I'm not ready yet. I need to grow more and mature more, and my fruit is not ripe yet." But I say to you that thousands of years ago, I said, "The Kingdom of God is at hand."

Again I say, "Rest in Me. Flow with Me." The only striving should be the striving to enter into My rest in intimacy with Me. All My love and My power flows from this place!

Now is the season, now is the time! Some souls are ripe for harvest, some need more water, but many, many more seeds need to be planted! There is a lot of work to be done and it may seem like a contradiction after just saying, "Rest in Me," but I wanted to emphasize the rest first, because the "rest of intimacy" needs to be maintained while you're working! Remember, it is My joy that is your strength!
