Surrender to That Higher Place

Prophecy210613b – June 13, 2021

You will see these days. For I am bringing about a Bride that is changing, says the Spirit of Grace. And many of you have come to this place, this precipice before in your life, and then backed off because of distraction. I'm saying to you that there is grace among many of you to take these last steps into a place of surrender like you've never known before. I'm asking not just leadership, but I'm asking all those who hear My voice in the spirit to go to that place where you surrender all, says the Spirit of Grace. Cry out to Me, and ask Me to come and help you surrender the last parts of everything that stands in a pretense. For He that knows what is the mind of the Spirit makes intercession for the saints according to the will of God, says the Spirit of the Lord.

For there are many of you that say, "Yes, but I am willing, I am willing, I am willing." And I say yes, you are to the point to where you're at, to the maturity to where you're at. But I say there is a graduation in My Spirit, says the Spirit of the Lord, to go to a higher place. And for Me to be able to uncover before you what you've not yet yielded to Me, is for Me to ask of you to come up to this higher place. But I'm desiring for you to ask, and you shall receive, for in that place of yieldedness is a place of unfathomable power, says the Spirit of the Lord.

The things that you think bring you pleasure now – your money, your popularity, those who say "Yes sir" or "Yes ma'am" to you, or those who look at you at a higher scale – know this, those things will not be able to compete with the joy of having My power in your life, and Me following your words when you say something [and] it is done, says the Spirit of the Lord. Many will come and thank you in the days ahead for your sacrifice in this life to go to the next place, says the Spirit of the Lord.
