Carry the Atmosphere

Prophecy210711b – July 11, 2021

And you're qualified, male and female, to begin to bring forth an atmosphere. This will not be laid on just the fivefold in this last hour, says the Spirit of the Lord. But I'm asking you to open up an avenue for Me to come. And it won't be just at church. Yes, it must be practiced. You'll have to learn this new place. But learn it! Believe about yourself what I'm telling you, that you can carry this atmosphere with you. As I have told you to speak the end result, I'm telling you, as you start your day, and as you go from place to place, speak about the atmosphere that you're going to create when you get there. Create it in your homes, create it in your marriages.
