Drink of Me So They May Drink of You

Prophecy210822 – August 22, 2021

The words that I have spoken to you, they are spirit and they are life. As I move on you, and as I move in you and out of you, speak My words to this generation. And move in power, says the Spirit of Grace. There is more on you and more in you, even presently, than what you know and what you realize.

In the reverse of what Samson knew – when he had gone out from the presence of the Lord, or My presence had departed from him, and he knew not that that presence was gone. And he shook himself as in times before. And he did not recognize that I had left, and My anointing had left him – so now in the reverse, many have come into a place where My presence has brought them through the fire, and is bringing them through a place. And there has been a change from glory to glory to glory, by My presence, says the Lord. And if you will stir yourself even now, and if you will shake yourself even now in these days, for the works that I have for you, you will find that more glory has come upon you. And those who drink of the glory that is on you and in you will be satisfied. For I desire to draw all men unto Me, says the Spirit of Grace.

But I only have a Body on earth, through My children, that can do this. I encourage you, I ask of you to go to that place where every man drinks of your well. For in drinking of that place that I've placed within you, they'll be drinking of Me. I cannot come without you. You are My hands and My feet. I desire your words to be seasoned with salt. Yes, I'm cutting off many things in your life, but I'm adding more. Not only numerically am I cutting things off, but in quantity I'm adding more to your life that satisfies you. The same satisfaction that you will feel, and the knowledge of My miracle in your life, will also supply for them, says the Spirit of Grace. Fill the fields and the parking lots and the houses with My glory that comes through you, says the Lord.

The purging has been for that, says the Spirit of Grace. That I come through you as vessels of honor for this hour. Do not run from My purging for what is left yet to be done, but cry out for more, says the Spirit of Grace, and for all that is replaced with Me, for yourself. All that is replaced in this transition of your identity, not in yourself, but in Me, you will find that the power rests strong in that place, secure in that place.
