I Am Very Jealous Over You

Prophecy211114 – November 14, 2021

For I am, says the Spirit of Grace – not only to this body standing here, but those that are watching, and all those family churches that are gathered to this vision – I am concerning you, very jealous over you in a godly manner. For I have not only birthed you, but I have been bringing you up on this path to bring forth this outpouring on this planet, says the Spirit of Grace. So I continue to nurture you. And I receive these praises and praises in other places, that I might come upon you and saturate you with more of an earnest desire and even lust to come into My presence and find every possible manner [to enter in]. No matter your busyness, no matter your call – husband, wife, mother, sister, brother, pastor, businessman, businesswoman – to Me, My grace is extended to you to call you over into this place. For I'm very jealous over you with a godly jealousy. For as I have nurtured you, I am counting on you for your part in the promised land to possess that which I have commissioned you. To go into a place of a spiritual outpouring with signs and wonders so powerful, that they are the exact replica of Matthew, Mark, Luke, and John, all the things that I did, so all men may gaze upon you and say, "Truly, there is a God in the earth" in these last days, says the Spirit of Grace.

So therefore, I'm very, very, and earnestly jealous over you. That I keep you in a place of going forward on the foundation that I have given you, not looking to the right, not looking to the left, nor entering into another man's call. But stay on this place. Stay on track, because you're scheduled to receive these things. And they're very, very nigh unto you, says the Spirit of Grace. With great pleasure I say these things unto you. Stay on track. For I am jealous over you, says the Spirit of Grace.
