I Desire for a Hunger to Overtake You

Prophecy221211a – December 11, 2022

I'm hearing your voice. The voice of your heart, I'm hearing it, says the Spirit of Grace. Not for one, but for many, there's a reaching out for more. Even the old, even the old, which has been prayer and fasting and messages of old, I'm bringing to the new in you, says the Lord. For hunger to overtake you is My desire, and thirst that says –

“I don't care what the obstacle is, I'll fight past it. I'll fight past confusion, dismay. In this earthen body we have this treasure, that the excellency of the power may be of Christ and not of us. Therefore, we're troubled on every side, troubled on every side, but yet not in despair or cast down, always bearing about in the body the dying of the Lord Jesus, that the power of Christ may be manifest in my mortal body.”

It's worth the price. It's worth the price.
