### **Don't Look Back, Look Forward**

Prophecy221211b – December 11, 2022

Your strength in going forward in this next year and even now is knowing how much I love you, and how much that anything that you have failed in in the past is under My blood if you commit it to that place. Satan has run rampant on My Church in a place of guilt, even after they've brought themselves to a place of repentance. Do not look back, says the Spirit of the Lord. Don't even look back in this year not only on sins, but on weights and things that have easily beset you; things that you could've been more diligent in or spent less time in. Give yourself over no more to the contemplations of failure in your life, but give yourself over to an imagination of "This is who I'm going to be. I'm going to walk into Him. I'm going to give my body as a living sacrifice which will be holy and acceptable unto God, and it is and will be my reasonable service."
