### **You Have the Answer for this Planet**

Prophecy230205 – February 05, 2023

Go out as the sent ones, says the Spirit of Grace. Says the high priest and the Lord of the church. Go out in continuous fashion with co-laborers or people that you work with in the field, not those in the house, but those that are out in society. For you have an answer. You are the answer embodied. My life in you, for I have sent you forth as lambs among wolves. You have the answer for this planet. Be bold in the things that you say. Be bold in the things that you do. For the world is desperate and looking for answers and there is hopelessness, but I have given to you a hope when the world says there is no hope, when the family says there is no hope. But you have a place, you have an ark of safety to invite them in and come and find great hope, says the Spirit of the Lord. You've discounted what's been given to you and not been willing to open your mouth and speak to advertise that which I'm doing and the hope that I have to bring to their lives. Invite them into this place and invite them to hear words of truth and life. For in it are restorations. There's no argument of hopelessness against the truth of all hope. That which I bring is perfect hope, perfect peace. I will restore. I'll bring back and restore that which the palmerworm, the cankerworm, the caterpillar all of the destructive forces of every man's life and every man's world as they've often been destroyed by life. But I have an answer. That answer is in My Son, says the Spirit of Grace. Be bold, Be bold, Be bold in your speaking. Be bold in that which you advertise. Great is the authority, and the power behind it, says the Spirit of Grace
