You are Critically Important

Prophecy230221 – February 21, 2023

Bless your name Lord. Praise you Jesus. The Lord wants you to know that every single one of you who are part of this church, you have a critically important role to play in this outpouring and revival. God does not see you as an innocent bystander. He sees you involved. You are not to be concerned or worried about how you will be involved. Your responsibility is to keep pressing into God letting Him work in you to will and to do of His good pleasure, bringing about in you the preparation for how He wants to use you in this outpouring and revival. Keep seeking Him. Let Him work this work in you and bring this to pass. Because again, you are critically important to what God is doing in this ministry and in this region concerning outpouring and revival. Thank you, Lord. Thank you, Jesus.
