I Love It! I Love it! I love it!

Prophecy230301 – March 1st, 2023

I love it. I love it. I love it. I love it. I love it when you worship me. I love it when you spend time with me. Not just in this place. But in your home and in your car and everywhere you go. I love to spend time with you. I love it when you worship me. I love it when you worship me. I love it. I love it. I love it when you worship me. I am so moved by your worship. I am so moved by your worship. I love for you to worship me and adore me and lift me up. For when you lift me up, when you lift me up all, all is drawn to me and you are set free. And you set others free because I flow through you through intimacy. I love you to take the time to worship me.
