This is the gateway to all future success in My Spirit, says the Spirit of Grace. When I said, “Not by might, nor by power, but by My Spirit,” that’s exactly what I meant. Programs, an agenda, a schedule will not bring in the masses. You will not be able to attract them with anything less than the fulness of My anointing, says the Spirit of Grace. This is why the creation of an atmosphere in this place is absolutely the most important part of the entire service. (I heard Him say this, that it might be disputed among some, but that’s okay.) This part exceeds My Word and the ministry of My Word. Because if I’m not able to come and create an atmosphere for the hearer to hear, then those things which will be said even by the greatest of teachers will only come to a place in those that are listening to a certain level. Mostly, by the masses, [it will be] received intellectually, never touching the good ground of the heart.

So, let this be a good teaching and warning to the teacher, (that includes me), to all those [who are] present. You’re not just participants as in coming to a church service, but you are ministers. Even those online watching, you’re creating an anointing where you’re at, and you’re creating an anointing here in the cradle, in the place of nativity where things are being birthed.

Sow to the spirit, and you will of the spirit reap a great harvest, says the Spirit of the Lord. Prepare yourselves as priests. (*Refer to prophecy audio*) You’re just as those, the priest, the high priest, to come before My presence. Everything that he did, the high priest, to go into the Holy of Holies did not take just a moment in time. It was a deliberate preparing. It was a deliberate preparing. (*Refer to prophecy audio*)

For this is the time, this is the season. Do not say, “Yet four months, then cometh the harvest,” but look upon the fields that are ripe already unto harvest, says the Spirit of the Lord. Everything that I want to do, whether a youth [gathering] in the days ahead, the young adults, conferences, [or] present tense. (*Refer to prophecy audio*)
