### **My Grace Is Sufficient**

Prophecy230514a – May 14, 2023

Jesus said to him, My grace is sufficient for you. My grace is sufficient. In other words, My empowerment, My strength that causes peace in the midst of the storm is sufficient for you. I'll raise up your body, says the Spirit of the Lord. I'll redeem your soul, says the Spirit of the Lord, and I'll bring back from the ashes what Satan has intended to destroy.

Do not give up in this season of your life. Bring forth praise and exhaust yourself, as you have found that the psalms teach you, to give praise in the midst of darkness. Know this, that My grace is sufficient, says the Spirit of the Lord. And I will raise you up in this hour, and I will cause you to be greater than the former, says the Spirit of the Lord. I'll bring forth that which your natural soul cannot see, but you'll see in the spirit. And your soul shall come to a place of submission, says the Spirit of the Lord.

Paul said then, "Most gladly therefore will I rather glory in the midst of my infirmities. For when I am weak, when I've exhausted all physical, emotional, and my spiritual strength, then I know this – His grace rests upon me. And I can do all things through Christ who strengthens me."
