See the Joy That Is Set Before You

Prophecy230702 – July 2, 2023

Look unto Me, says the Spirit of the Lord, and see what you're fighting for. See the vision of what you're fighting for and the worth therein, says the Spirit of the Lord. See the parking lot full and the field full of cars, and people coming seeking for answers, seeking for miracles in their life, and their bodies transformed by My healing power. Do not grow weary in well-doing, says the Spirit of Grace. For if you get your eyes off of the vision and onto the fight, you'll grow weary under the labor. But if you see that even as He saw that – because He saw that which was, what He would inherit – and because of the inheritance set before Him, He endured the cross, despising the shame, but became the author of your salvation.

So, know this, that as He set His eyes upon that which had been given to Him to receive from above and would not relent in the fight, but the thing that kept Him going was the joy that was set before Him. And I say unto you, little flock, and those that are listening, see the joy! See the joy that is set before you! Do not grow weary in well-doing but see the joy that is set before you. For I'm offering unto you as a generation that which has been offered to many others. But I see you finalizing your end days and bringing in all that which I have laid upon the shoulders. Time and time again after men would lay the foundation, others would come along.

Do not default. Don't default in this thing. Don't get your eyes on the battle. Don't set your eyes or your focus on the diversions that have come. But know this, that you're a royal priesthood, a chosen generation. I've laid upon you the mantle of Revival. I've given you the choice to receive and put your hand to the plow and not look back. Don't look back. There's nothing but life and joy and watching them come in from every walk of life and receive the presence of God. Yours is the generation of royalty to get past these hard times and hard questions of why one dies and another one lives. [Yours is] not only to answer the question, but to have the faith to cause the plane to be evened out, in that which the works that He did you'll do also, so that none are lost.

Don't stop. Don't stop. You can't afford to stop and look. Don't be mesmerized by any fight or any loss. Stand as a soldier. Do your part, and all will be edified thereby, says the Spirit of the Lord.
