Imagine Bigger Things

Prophecy230827 – August 27, 2023

From the very beginning I desired, more than anything else, sons and daughters who could worship Me in spirit and in truth. After the fall, I sent the One to restore all things back to the original plan and purpose that I had for mankind, and that is for him to know Me and Me to know him in the intimacy of true spiritual fellowship, says the Spirit of Grace. He brought forth a standing in the Kingdom in which you could know Me face to face. But make no mistake about it, religion has buried deep, deep the true essence of this Kingdom and taught men not to understand those things in which I sent Him to restore. But know this, that I've placed My heart and My dream inside each one of you that is on this path in truth, says the Spirit of Grace.

At your finest moment, at your finest moment when you've thought that you've looked into the expectancy of how great these things could be inside Revival, I say unto you, you've not yet seen or even begun to behold the glory, the wonder, the splendor, the excitement that I have for you in these things, says the Spirit of Grace. Do not let your resolve ever be waned by the time or the season in which the fight continues to persevere, says the Spirit of Grace. For your hope and your expectation of the wonderment of this path and Revival has not yet even begun to be expressed inside of your spirit, says the Spirit of Grace. And whatever moments and whatever times that you've fallen in love with this dream called Revival, says the Spirit of Grace, know this, that nothing that you've thought to have seen was a lie, but was penetrated and given over to you by the Spirit of Truth who had eyes to see and ears to hear, says the Spirit of the Lord. So, rejoice in this, that the better is yet to come, and hold fast to the dream of the restoration of the power of the Kingdom, says the Spirit of the Lord.

For I desire presence. Presence not only in your midst collectively, but you'll find for each of you that I desire for you to hope in and expect a presence to follow you throughout the day, to take you away into peaceful habitations of My presence, says the Spirit of Grace. [I will create] places which will be strange to you and yet very welcomed by your spirit. Receive of these things, for they are the promise of the future and the coming Revival.

Any picture that you've ever had of how wonderful it could be to share decades of outpouring with those that you love and watch the glory of the former come into being as if it was never lost, know this, that you've only tasted. But that which you've tasted I desire to complete in you to the full image, says the Spirit of

Grace. Imagine. Imagine bigger things. Imagine bigger things to happen. See yourself walking in a place of continual visitation by My Spirit. For your eyes have not seen, nor have your ears heard, neither has it entered into the heart of man, of yourself, the things that I have prepared for you in the existence of this outpouring. But know this, I have revealed and will continue to reveal them to you by My Spirit, says the Spirit of Grace, and teach you through that language where I compare spiritual things to spiritual, says the Spirit of Grace.
