Miracles Are Found in the Secret Place

Prophecy230917 – September 17, 2023

Be not weary in well-doing, for in due season you'll reap if you faint not. But give yourself over to this place of edification, lifting up the high praises. For in it are the miracles that you seek for yourself and then for those that will be brought in in this outpouring. But I desire to come to you first. Old standing things in your body, along with new things that come with viruses and diseases and things that come to fight, to distract, afflictions and persecutions, car wrecks, things breaking down, and the continual preaching of your body to you that nothing changed in the prayer of faith.
