The Point of Endurance is Victory

Prophecy240131a – January 31, 2024

The Lord says that the greatest ministry that you have right now in your life and the lives of everyone that is seated or bowed down in this house or those that are watching, the greatest ministry that you have by far that exceeds everything else is your time of prayer before My face, says the Spirit of the Lord. There's no work, nothing that you can do that exceeds beyond this particular call to the revivalist right now. Don't be deceived, don't be turned aside. Many of you need to seek God concerning your schedules and ask God how you can cut them in half if necessary. For I said unto you, increase, increase, increase in these days.

But I'm not a task master that expects more that does not give more. For My grace is sufficient, and you as obedient servants have come into this place. And I warned you even last year of the assaults by name that would come, and most of you've seen those things, beginning first with the spirit of infirmity, and the fire would be intense and stepped up. And many of you have been amazed, even though mature, been amazed at the intensity of the fight. The enemy came with destruction of reasonings and division and tried to divide The House, the Body of Christ at large. And still, many things are at work. But know this, I have brought even in recent days, beginning Sunday night, a spirit of intercession and prayer to this body and to those who are associated and affiliated with this message. But particularly here, I began to visit you with a desire to wait in My presence. And again, tonight, I'm visiting you.

Know this, that the enemy cannot continue. I gave him no permission at all in the things that he's advanced in. But he has done what he must do to fight, to kill, steal, and destroy if possible. But know this, that for you that stand and will not relent, yours is not just a continual battle; to always be seen as in a war that has no victory. For I say unto you, victory is now. And if you will receive it, you will continue to see a progression, a victory against the assault and a progression beyond wherever the assault started at, as in manifestations of healings to your body and prosperity around you. Yes, the enemy fights strong. But who is he compared to I? says the Spirit of Grace. I am the Alpha and the Omega, the beginning and the ending.

So, take joy. Do not let your hands be feeble in the fight. Do not let your feet be turned out of the way. But lift up holy hands and know that I'm not just the God of endurance. I appreciate endurance; there is character [in it]. But My greatest desire is to crown you with the answer of prayer. My greatest desire is for you to

see the manifestations and the victories, says the Spirit of the Lord. Yes, there is a crown for the victor that endures. But do not take upon yourself a mindset that it's always war without victory. Expect the victory daily. Expect increase. Expect change in your bodies and change around you and change in reports, says the Spirit of the Lord.

Warring angels, you'll not see them, but some will, have been dispatched to the Body of Christ not just here, but to those who are in this fight with you, says the Spirit of the Lord. My best is victory. My best is continual victory. War is not the purpose. War must ensue, but victory is the end result. Harvest. And I have said unto you as of late that My greatest desire is for you as revivalists to walk in health. I'll help you in these things, says the Spirit of the Lord. But square your shoulders and lift your head and speak life. Speak the end result. For a burden of prayer is upon this House and a burden of prayer is upon My Body at large who are revivalists. For those of you that will heed that burden of prayer, I'll increase the intensity of your desire. The drudgery of once having to go in will vacate, and you'll find yourself in a place of enjoying extended time.

Do not forget your roots. Continue to fast. Lay down excuses. If you have not been a faster or given your body over as a living sacrifice, for I say unto you, one of the primary ways that this scripture is fulfilled of giving your body over a living sacrifice is to push away from the table or to go without, and offer yourself up during these times. For some, it is just a loss of a meal or two daily. For others who are more advanced, you know what I'm telling you. But victory is yours. You will quicken the places of the sound of victory and good reports by crucifying your flesh and allowing your faith to rise to a place where you see the end result.

But I say unto you again, says the Spirit of the Lord, endurance alone is not the end result. I am pleased with endurance and you must endure, but I am believing with you and pulling with you for manifestation and coming into fullness, says the Spirit of Grace. I am a Father that loves My children, and every promise is yea and amen to them that believe.
