

Prophecy – The Family Prayer Center

Prayer for Families

Revival Now! Conference – Dayton, OH

Prophecy240423b – April 23, 2024

He particularly was saying, pray for the families. There are those that are watching and those that are here [who need this]. There's always something going on in every family, that can be generalistic. But I'm talking about there's a move to destroy—to kill, steal, and destroy – like never before. This goes out to kids and grandkids especially, where the enemy is trying to evangelize them. He's trying to evangelize them and pull them over into other things. So right now, we're going to break that in the spirit realm. And I know a lot of it has to do with things in the natural, this, that, and the other. But I'm telling you by the Spirit of God, there's devils behind this.

So right now, in the name of Jesus, by the authority that's been invested in us, all the Body of Christ in this place, and we stand upon the authority of your Word, Father, seeing this by word of knowledge in the spirit, and we break those demonic spirits off of those grandsons, off those granddaughters, off those sons, and off those daughters, in Jesus' name.

Satan, you will not have them, in the name of Jesus! We break you off now, in the name of Jesus. We cut you asunder to bind their kings with chains and their nobles with fetters of iron. This honor hath all your saints, Father. And we speak this in the name of Jesus, and we cut these demonic spirits off in the name of Jesus. No more influence. No more influence, in the name of Jesus. And to those, Lord, friends of influence, you care about them, but for now, that relationship cannot continue. So, we pray: Drive the wedge. Drive the wedge.

Open the eyes of our children, our grandchildren, our families, our nieces, our nephews. Cause them to see the destruction that is in front of them and the welcome arms of a forgiving Father, right now, in the name of Jesus. We release this grace to them, on them, in the name of Jesus. Send forth your Spirit, and the accompaniment of angels. Father, thank you for the ministry of angels in the Church coming forward like never before. Let these influencing beings come upon them and be around them with your Holy Spirit to bring forth this passion of Your grace in this last hour for our children and our grandchildren to come in this.

We call them part of this Outpouring, part of this vine, part of this branch. In the name of Jesus, we release your grace to them and on them now, in the name of Jesus. The next generation of ours will serve God. They will be kings and priests.
