### **Growing Up & Staying in the Spirit**

Prophecy240602a – June 2, 2024

So, stay in the spirit, says the Spirit of Lord, whether you're here physically or there watching. For everything that you do today is measured in the prophetic, says the Spirit of Grace. So, let every moment [count]. Let the cloud of My glory overshadow you. For the day will come, says the Spirit of Grace, that supernatural signs and wonders will follow so strong that the cloud of My presence will be in this place even to the measure that those on streaming will see it. But for you presently now, never step out when you've stepped in. When you come into these walls, even if you spend a few moments of social time, always let your spirit be in another place being prepared for what you've come for, and that is meat, says the Spirit of Grace.

I'm asking you to grow up, because I'm giving to you a harvest that is dear to Me, says the Spirit of Grace. So, I'm asking you to stay in the spirit. You're not allowed, My little ones that are so precious to Me, you're not allowed to vacillate any longer from flesh to spirit. It's time to grow up. It's time to take upon a manhood and a womanhood, and then teach the adolescents how to grow up in this. It's not religious and it's not confining, but it's liberty to stay in the spirit and to walk in the spirit, says the Spirit of Grace.

I'm asking you to use your authority to change things on the planet, and to change things in the world in which you live, and to bring about My Kingdom coming in fulness and authority, says the Spirit of Grace. So, grow up little one. Stay in the spirit and meditate My Word.
