### **I Want You Restored for This Outpouring**

Prophecy240623 – June 23, 2024

For there are some with great questions of the heart, as in things that you've put before Me and desiring answers. But I'm saying to you this day that if you'll lean into Me and into intimacy, that I'll come and answer the questions of your heart first with the peace that passes all understanding. And then a follow up of that will be an intimacy that will methodically answer the reasons why certain things have not turned out the way you thought they would turn out, says the Spirit of Grace.

So, stay in the place, yielded. Yieldedness is the spirit of holiness. It is humility, yielding yourself. You can't fix you. You can't fix you, but I can fix you. Now, I desire to restore. I desire to restore. I desire to restore finances and family, marital relationships. I desire to restore, to renew, and to wash. To wash away out of you strongholds, ways of thinking that bring in the result of the bondages, and the inhibitions, and the things that a marriage suffers or an individual suffers.

Now is the time, and now is the great time when the wind of My Spirit is blowing. It's blowing upon My Church and the people that are hungry. You don't even have to know half of what you will know for My Spirit to contact you and bring you up higher, and bring forth a soundness of heart and mind.

I'll save your husband. I'll save your marriage. I'll bring forth the sweetness. For it is My desire in these days that the homes be brought forth in great unity, great unity. For his objective, that is, that of the enemy, his objective is not only to destroy the marriage and the home, but to confiscate from you your authority to help bring forth a great Revival in the earth, says the Spirit of Grace. For I've called you. I've come and I've solicited from these and from those that are watching. You're My hope. You're the seed of God's authority in the earth to bring forth this outpouring, restoration, and reformation.

So many of you think of yourself as an individual isolated from authority in what God desires to do in magnitude of the outpouring. So, you can't relate that the things that are happening to you individually and the fight that is going on in regards to many different things in families [is the opposition]. [There has been] some loss. Some loss, yes, I know. And you can't relate because you see yourself only on an individual basis. But I'm asking you to put on kingly garments and priestly garments. Go in behind the veil that has been rent and bring forth the authority of My Spirit to bring forth a unity. The unity of the Church starts in the unity of the individual and of the home, says the Spirit of Grace.

Don't sell yourself short. Realize your importance. Know that everything that comes to abate you, to stop you as an individual, or as a woman of God or as a man of God, the end result is not you, the end result is the Church and the outpouring. And I've seated you, I've nursemaid you along and along. You've not failed or quit to this point because grace underscored you and helped you come to this place.

So, determine. Determine like never before to go in. Let no argument of your mind of something less than you are remain. Stand fast in this hour, for the outpouring is among you. It's on you, it's among you, and it's here.
