Freedom from Strongholds

Prophecy250126 – January 26, 2025

He whom the Son has set free is free indeed. For many will go many years past the point of their deliverance. For at the moment you were born again, I set you free from all sin and from everything that would bring forth a stronghold against the truth. I gave you the power to walk free from that moment. But for those who will exercise this gift and continue to pray the mysteries, I'll speed your deliverance – even though you were delivered, even though all things were provided from the beginning, says the Spirit of Grace.

So, take hold of those things that are provided and use them, and come forward. Come forward, oh great army. Those that are lacking in the army, come forward and go forward together, both young and old, weak and strong. Become one and go forward together, says the Spirit of Grace.
