### **Prevent the Counterattack Planned for the President**

Prophecy250217JM – February 17, 2025

During the worship, I was sitting over there and I had a brief vision, an instantaneous vision of a storm cloud. And here's what God is saying...

Your president has won many victories in the few days that he has been in office. Many people have conceded to his plans and his intentions, both Republicans and Democrats. But there are also nations that have conceded to his plans and his intentions. But hear Me and hear Me well: Satan is devising a plan now for a major counterattack. The goal is to lull your president into a false sense of security in believing that nothing bad is going to come about, that it's going to be one victory after another. And I say unto you, it can be one victory after another, but you need to know that Satan is trying to lull him into a sense, a false sense of security in this to launch a major offensive. But I tell you now, it can be stopped. It can be stopped before it is launched. And I tell you, pray for your president.

Pray for him to not be lulled into a false sense of security and accomplishment. Pray that he will remain on the offensive. Pray that there will be those around him who are walking in My light and who will guard him in the spirit through their prayers. Pray for this attack to be stopped before it is launched. You have the power to stop this thing now. And so I say unto you, pray for your president, not just at this moment, but as you think of this, as you remember this, pray for him, and the enemy will be stopped. These plans will be shut down. They will not come to the forefront, and most will never know that a plan of attack was being devised by the enemy, for you can stop it before it starts.

He is not your president for failure. He is not your president for defeat. He is your president for victory, and I will work through him. So, take heed to these words and pray for him and those around him. And I say, you can dispel confusion, and you can set the enemy even further back than what he has been set to this point. You are My children, and I have given you the victory through My Son Jesus Christ.
