Freely Receive, Freely Give

Prophecy250219 – February 19, 2025

The Lord says as you're healed, and as you have received the washing of the water of the Word, and as I have touched your spirit and healed many, inwardly and physically, I'm working a work. Forget not to lay hands upon the sick. Let this which has begun in you continue in you.

Listen daily. Watch daily. Listen at the doorpost of My speaking to minister to others. Freely you have been given and freely you have received. And freely give that which has been given to you. Pass this on. Pass this anointing on. Search for places even tomorrow to lay hands on the sick. Believe that My presence will emanate out of your hands into bodies. Believe. I want to be believed, says the Spirit of Grace.

Practice this not in theory but in absolute. Freely you have received. Freely you've received in this week. Freely give.
