### **Spend Time With Me**

Prophecy250709a – July 9, 2025

I hear the Lord saying, He's saying, you can have all of Me you want. Get lost in Me. Spend time with Me. Be in My presence and allow My presence to saturate you. Allow My presence to make you brand new as never before, going from glory to glory in Me. So, bask in My presence. Spend time with Me, worshipping Me, being in intimacy with Me, for I love to be with you and have so much more for you. So, spend that time with Me, says the Lord.
