### **I Will Reverse Your Age**

Prophecy250817b – August 17, 2025

Call unto Me, says the Lord. I will reverse your age! I will reverse your age. Did I not say that I would renew you, by the words of your mouth, I would renew you like the eagle? In the name of the Lord, I say unto you and I prophesy to you by Holy Spirit that He says, “Call unto Me and I will turn back the clock.”

Let it be known that I’ll reverse decades. I’ll turn back decades. The man that is 60 will be 30, 40. The man that is 80 will be 60, 50. Know this, it is by the words of your mouth; it is by your sayings.

I do not these things just to excite your flesh, but I need an army of Revivalists in these last days who will raise up and give their bodies over as a living sacrifice. If you will give your bodies as a living sacrifice, know this, that that which has been provided by My healing virtue will come in and it will bring forth healing to the internal parts of your body. It will reverse the aging process, says the Spirit of the Lord.
