You Are Part of the End-Time Harvest

Prophecy260104a – January 4, 2026

For even global events will teach the unlearned and to those who will pay attention that we're entering into a very serious time, approaching the end. No man knows the hour or the day, but just know that My return is very close, very near. And much is to be done, a mighty harvest to be reaped. There are still places on this planet that have not heard the Gospel, the gospel of Jesus Christ. And the number one sign of the end: This gospel shall be preached in every language, every kindred, every tongue.

Know this, you are part of My army to accomplish that. You are part of My end time army to accomplish that mission. It is time for meat now. Strong meat belongs to them that are of full age. And I love you, and I count you as My adult children ready to digest the meat of the Word, says the Lord.
