### **Don't Retreat; Run Towards**

Prophecy260222 - February 22, 2026

This is not a time of retreat, says the Spirit of the Lord, this is a time to run towards your enemy. This is a time to speak the Word like never before. This is a time not to retreat from the enemy, but to retreat into prayer. Stay in the place of prayer. Stay in the place of fasting. Set your affections upon Me, says the Spirit of the Lord. Stay in that place and give no ground to the enemy.
