The Key to Be Free Is in Me

Prophecy260318 – March 18, 2026

That's the key, that's the key, that's the key – The key to be free is in Me, says the Lord. The key to be free is in Me. Bask in My presence. Plunge into My presence. In that alone time with Me, just Me and you, oh, I bring the healings, I bring the restoration, I restore you completely – It's in that intimacy. So, get intimate with Me. Intimacy is in-to-Me, in-to-Me, in-to-Me. Just go into Me and know I love you so much and I have so much more for you.

You're My children, I love you. I'm your Father. I'm your Father and I love you, and I supply all things to you, whatever it is, whatever it is you need. If it's healing in relationships, if it's healing in your body, if it's finances, if it's just being loved, and being healed emotionally, physically, mentally, in all areas – I am your Father God, and I'm here to heal you and set you free. The key is going into Me, falling into Me, staying in Me all throughout the day. Just acknowledge Me and see Me move mightily in your life.
