Worship: This Is How You Win

Prophecy260329 – March 29, 2026

This is how you win. This is how you win. Even in your home, this is how you win – That you get before Me and you worship Me, and you dance before Me and you praise Me above all the storms, above all the circumstances, above all the situations. You praise Me and know that I have answered.

And you praise and you worship Me and you stand upon My Word until you see the full manifestation come. For I sent it! I sent the answer the first day you asked. Just like when Daniel prayed, the first day he asked Me, I sent the answer, but there ended up being a war in the heavens. There was a war because of the demonic forces that are holding back your answers, not Me. It's demonic forces that you come against when you praise Me, when you worship Me. When you worship Me, don't say, "Oh, God, why haven't you answered? Oh, God, where is it at? Oh, God, oh, God, oh, God..." NO! It's "PRAISE GOD! PRAISE GOD! PRAISE GOD! PRAISE GOD!"
